AP QUICK ENTRY: Enterprise Financials

What is AP Quick Entry?

Signature Series' AP Quick Entry is a product that allows the user to view and edit account distributions and payment terms from the main Purchasing Transaction entry window instead of having to drill back to other windows.

Who would benefit from this product?

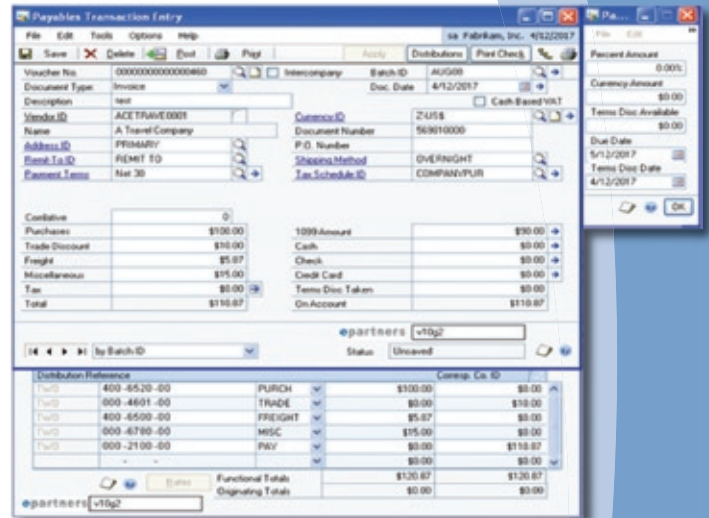

Any Customer that is, or would be, using Microsoft Dynamics GP Accounts Payable, especially those with a large volume of purchasing transactions, would benefit from using **AP Quick Entry**.

How would the customer benefit?

Customers using **AP Quick Entry** would find it very important to the productivity of their organization because of the time it saves and its ease of use.

What other software must be installed in order to utilize this service?

Additional software necessary to benefit from **AP Quick Entry** would include Microsoft Dynamics GP version 9.0 or greater. It is important to note that this product contains alternate versions of the Payables Transaction Entry and Payables Transaction Entry Distribution forms, therefore the client should not have any other 3rd party applications within their environment with conflicting alternate or modified forms.
