

SIGNATURE SERIES PARTNER PROGRAM

OVERVIEW

Let ePartners' *Signature Series*' solutions strengthen your ability to deliver high quality products and custom solutions to your clients. By extending the functionality of Microsoft Dynamics products to automate and streamline time consuming and cumbersome processes the user is then free to focus on the importance of their own business' purpose.

ePartners' *Signature Series* Team is dedicated to providing high-quality solutions which extend the existing capabilities within Microsoft Business Solutions Systems, therefore simplifying your client's business process.

ePartners markets and distributes the *Signature Series* add-on products through the Microsoft® Business Solutions Partner channel. As an ePartners *Signature Series* Partner you will enjoy benefits such as:

- Margins on *Signature Series* Products and Enhancements
- Product Updates
- Increased Customer Loyalty
- Custom Development Opportunities

In addition to Custom Development Services, ePartners also offers Hosting Services, Technology and Network Services, and Implementation Services for more specialized MBS products.
